BATHROOM GUIDE

EVALUATION CRITERIA

We look at every part of bathroom design, from lighting and layout to sound design and originality.

LIGHTING (10 PTS)

Flattering enough for photos but bright enough to see everything.

SCENT (10 PTS)

A pleasant and inviting scent that is not overwhelming.

SOUND DESIGN (10 PTS)

Whether sound-proofed or soft music, enough sound to make people feel at peace.

FINISHINGS (10 PTS)

Those unique delights that bring the room together like faucet selection, sink materials, wall coverings, etc.

LAYOUT (10 PTS)

Everything is within reach and easy to use.

AMENITIES (10 PTS)

The thoughtful touches that make the experience luxurious like coat hooks, nice soap and of course, the quality of the bathroom tissue.

CLEANLINESS (10 PTS)

The foundation of any good bathroom.

ORIGINALITY (30 PTS)

Creative design elements unlike any other.
